A WOMAN SLAYER.

Killed by a Brakeman Whom She Claimed for Her Husband.

HONOLULU, N. J., July 5.—Thomas McLaren, a brakeman on the Delaware, Lackawanna & Western Railroad, last night shot and killed Jennie Kneatle, a woman who claimed to be his wife. The shooting occurred at the residence of Mrs. Thomas Mulvaney, 58 Garden street, where the murdered woman has been staying for some time past. McLaren fired four shots, all of which took effect. Last May the woman had McLaren arrested on the charge of bigamy, she having learned that he had been recently married, and at the same time claiming that he had married her in 1888. She failed to submit proof of her marriage and the case was dropped. Then she refused to have anything more to do with McLaren, taking up her residence in the house on Garden street. McLaren called there last night and, failing to influence her, drew a revolver and shot her. Two of the bullets lodged in her left breast and the others entered her arm. She died half an hour later. The murderer escaped.

MAY PROVE FATAL. Louis Hensieck Seriously Injured While Handling Fireworks.

Louis Hensieck, a married man, 30 years old, living at 115 North Fifteenth street, was rather seriously injured last night while discharging fireworks in front of his residence. He had a lighted Roman candle in his hand and a lot of "nigger-chasers" in his coat pocket. A spark from the candle fell in his pocket, ignited the chasers and an explosion followed, which resulted in Hensieck being very badly burned about the lower abdomen. It is feared that his injuries may prove fatal.

Kansas City to Pay \$3,000,000 for the Water-works.

CASE DECIDED BY THE CIRCUIT COURT OF APPEALS.

The National Waterworks Co. to Sign Deed of Release by Dec. 1, 1894, but Retain Possession Until Final Payment—City's Claims for Damages Ignored—Test of the Opinion—The Federal Courts.

An opinion was filed in the United States Circuit Court of Appeals to-day in the celebrated case of the National Waterworks Co. against Kansas City, Mo., appealed from the Circuit Court for the Western District of Missouri. The Court of Appeals remanded the case to the Circuit Court with directions to vacate its former decree and to enter a decree drawn by the Court of Appeals. The decree of the Circuit Court declared that Kansas City is bound to purchase from the waterworks company, and the latter is bound to sell to the city its entire plant, both the portions situated in Kansas and in Missouri; that the fair and equitable value of the complete waterworks plant is \$3,000,000; that the company is entitled to possession until the final payment is made; that the waterworks company must execute the necessary deeds of release by Dec. 1, 1894, and that Kansas City must pay all taxes and assessments on the property accruing from Nov. 1, 1893, and all subsequent accruing rentals according to the rate agreed upon between the city and the company until the city becomes entitled to the possession of the plant.

no claim for damages. The decree further holds that the city is not entitled to recover from the company any sum on account of claims for damages in the cross-bill; that what is known as Kaw Point Pumping Station shall not be conveyed to the city as part of the waterworks plant and the value of this pumping station shall be deducted from the price of the complete works. The costs are divided between the litigants.

Denver Street Paving Suit.

A record transcript of the suit of the Bar-Barr Asphalt Paving Co. against the City of Denver was filed in the United States Circuit Court of Appeals to-day on a writ of error from the United States Circuit Court of Colorado. The plaintiff asked for a permanent writ of mandamus to compel the city to execute its warrants for \$93,163.32 to the plaintiff for street improvements. The plaintiff's bill was dismissed.

A BRUTAL ACT

Which Escaped Investigation by the Police or Humane Society.

Passing into the corridor of the Odd Fellows' Building on Tuesday morning, Walter A. Gage saw an unknown young man rush by him in pursuit of a young Newfoundland dog, perhaps two months old, that had evidently got lost. The fellow picked the pup up by the hind legs, and swinging it as one would a ball, dashed its brains out against the marble floor and wall. The act seemed as atrocious as any that could be committed, and was provoked as the method was cruel and inhuman, and young Gage indignantly protested.

The dog-killer was excited by his feat of valor and he immediately offered to serve young Gage as he had served the luckless puppy. He made his intention good by putting up his hands and rushing on Gage. The latter, well satisfied to have such justification for giving the fellow a merited drubbing, handed a package which he carried to a friend and closed with the ruffian. The bystanders, whose numbers now ought to insure fair play, offered no interference, and the dog-killer was knocked down by Gage six times before he made up his mind to quit. In the meantime two of the dog-killer's friends had made several attempts to come to his rescue, but each time the spectators sternly interfered, insisting that the fellow was getting what he richly deserved. After getting up he declared that the fellow who killed the dog was mad.

One of the tenants of the building, who saw the dog ten minutes before it was killed, stated that the fellow who killed the dog was then lying in front of the Odd Fellows' Building to all appearances sound and well, but that he was evidently under the influence of a powerful narcotic, and that he was exhibiting the signs of a severe case of delirium tremens. He picked it up and served it as stated.

DRINK AND DEATH.

A Barkeeper Shot by a Deputy Marshal for Refusing Refreshments.

PUEBLO, Colo., July 5.—Jack Leach, a bartender for George Stump at North Union avenue, was shot over the left eye by O. L. Taylor, a deputy marshal, at 1 o'clock this morning and died at 1:35.

The deputy was refused drinks by Leach and the man went on the sidewalk where some talk arose between officers and bystanders and two soldiers of the 17th Infantry. Taylor says Leach pointed a gun at him and refused to throw up. He says he shot in self-defense. Eye-witnesses say Leach merely had the pistol by his side and was attempting to prevent trouble, when Taylor shot him without a word. Taylor is a Texan. Leach's wife and three children are in the East.

Deputy Taylor, who killed Leach, has been arrested on demand of the Mayor and given in charge of the United States Marshal. The murder has created intense excitement, and the streets are crowded with infuriated men. At 4 o'clock this morning a deputy was shot in the leg when crossing the Fourth street viaduct. The deputy is a half-breed negro, and he says he was shot by a man named Anderson.
